Hospitality Management

Finding Articles at Andrew Carnegie Library

Articles in journals, newspapers, and magazines are found by searching an index. Search for a topic by using a keyword search or for a specific article by using an author or a title search. The databases listed below include articles on topics in Hospitality Management and Culinary Arts.

Available through NC LIVE: <http://www.nclive.org/> or <http://www.nclive.org/search-everything?search=hospitality+management+and+culinary+arts>

Academic Search Complete Includes articles from scholarly journals and magazines on a variety of topics in education.

Hospitality and Tourism Complete 1965 to Present. Covers scholarly research and industry news relating to all areas of hospitality and tourism. This comprehensive database combines the records of three renowned collections: Cornell University's former Hospitality database, Articles in Hospitality and Tourism (AHT), and the Lodging, Restaurant & Tourism Index (LRTI)

Lexis Nexis Academic Full-text database that offers a wide range of news, political, legal, business, and reference information. Primary source of newspaper articles. Federal code, regulations, and case law, plus state codes and case law included. Covers news, business, legal research, medical and reference information.

Business Source Premier (Via EBSCO host)1965 to Present. Provides indexing and abstracting for more than 4100 periodicals and offers full text for more than 3000 journals. Covers a variety of business areas, accounting, economics, international business, finance, management, and marketing.

MasterFile Premier Contains full-text for periodicals covering various subject areas as well as many professional/trade publications.

Science and Technology Collection Contains over 820 full-text journals covering relevant aspects of the scientific and technical community.

GreenFile Journal articles, book chapters, government reports and general-interest material covering all aspects of human impact on the environment.

Business Source Complete. Contains far more active, peer-reviewed, business related journals than any other database currently available, " industry reports and trade journals are included. Full-text articles on the business side of Culinary Arts.

InfoTrac Newspapers Updated daily, full-text from 140 national and international newspapers and selected full-text from 300 news and business sources.

ProQuest Business Market Research Collection This database contains company, industry, economic and geopolitical market research from three sources, including Hoover's Company Profiles, OxResearch from Oxford Analytica, and Snapshots.

ProQuest Family Health Database Magazines and journals covering consumer health topics, such as sports injuries, women's health, food and nutrition, midwifery, eye care and dentistry.

ProQuest Health & Medical Collection Clinical research plus consumer and health administration titles.

ProQuest Health Management Database Research supporting professional healthcare management and healthcare administration.
