Section 6. Areas for Improvement, Weaknesses, and/or Stipulations

Summarize EPP activities and the outcomes of those activities as they relate to correcting the areas cited in the last Accreditation Action/Decision Report.

Areas for Improvement related to Standard 5 cited as a result of the last NCATE review:

1. The unit lacks sufficient evidence that most professional education faculty members are actively engaged in scholarly inquiry.	(1TP)
---	-------

The faculty members have been encouraged to present at state and local as well as national conferences. They are engaged in research related to their teaching assignments. In addition the faculty members are providing data related to proposals in the area of teaching and learning. The faculty continues to encourage students to use research data to support their reflections.

Section 7. Accreditation Pathway

Continuous Improvement. *Summarize progress toward target level performance on the standard(s) selected.*

The progress has been very limited. However, faculty are encouraged to seek opportunities to engage with a learned society to publish their initial research and projects.

Section 8: Preparer's Authorization

Preparer's authorization. *By checking the box below, I indicate that I am authorized by the EPP to complete the 2015 EPP Annual Report.*
